

The Outer East Refugee Health Forum

The Outer East Primary Care Partnership and the Migrant Settlement Committee would like to provide an opportunity for you to learn about and discuss emerging issues for refugees in the Outer East and to network with colleagues and experts.

The forum will include:

- A chronological snapshot of the settlement process of refugees
- An overview of the cultural and medical issues faced.
- Presentations from former refugees, the Refugee Health Nurse in the Outer East, and the Royal Melbourne Hospital's research fellows
- Panel discussions with settlement agencies and experts

Date: Tuesday 20 April 2010, 9:30am-3pm, Lunch provided

Venue: Karralyka, Mines Road, Ringwood East 3134
