

Do you work with newly-arrived people of refugee background?

***AMES and the Refugee Council of Australia
Invite You to an AUSCO Presentation***

The Australian Cultural Orientation (AUSCO) Program is provided to refugee and humanitarian visa holders who are preparing to settle in Australia. The program provides practical advice and the opportunity to ask questions about travel to and life in Australia. It is delivered overseas in refugee camps and urban centres, before they begin their journey.

The program is the beginning of the settlement process for people coming to Australia under the Humanitarian Program. AUSCO is available to all refugee and humanitarian visa holders over the age of five.
